

Privacy

The owner of the Baycos.com website is Baycos.com, which is the administrator of your personal data.

This Privacy Policy sets out how we process information collected on Baycos.com website and explains why we need to collect certain data about you. Therefore, before using the Baycos.com website, read this Privacy Policy.

We care about your personal data and are committed to ensuring its confidentiality and protection.

Personal data we collect:

When you access Baycos.com, we automatically collect certain information about your device, including information about your web browser, IP address, time zone, and certain cookies installed on your device. In addition, when you browse the site, we collect information about the individual websites or products you view, what pages or phrases you entered in the search engine that directed you to our Site and how you use it. We refer to this information we automatically collect as "Device Information." In addition, we may collect personal data that you provide to us (including, but not limited to, name, e-mail address, payment information, etc.) at the registration stage to enable the performance of the contract.

Why do we process your data?

Our overriding priority is to ensure the security of customer/user data, which is why we can only process limited data to the extent that it is strictly necessary to maintain the functioning of the Website. The information collected automatically is used only to identify potential cases of abuse and to compile statistical data on the use of our Website. These statistics are not collected in a way that allows the identification of a specific user of the system.

You may visit our Website without having to reveal your identity to us or provide us with any information that someone could use to identify you as a specific, identifiable person. However, if you want to use some of the features of the Website, or want to receive our newsletter, or provide other information by filling out a form, you can provide us with your personal data, such as e-mail address, name, surname, city in which you live, company, organization, telephone number. You may opt - out of providing us with your personal information, but you may not be able to use some of the features of the Site. For example, we will not be able to send you our Newsletter or contact you directly on the Site. Users who are not sure which information is mandatory can contact us at tpabisiak@baycos.com.

Your rights:

If you are a citizen of the European Union, you have the following rights in relation to your personal data:

- Right to information.
- Right of access to information.
- Right to rectification.
- Right to erasure.
- Right to restriction of the processing.
- Right to object to the method of data processing.

- Right to object.
- Rights relating to decision-making automation and profiling.

If you wish to exercise this right, please contact us via the contact details below.

In addition, if you are a citizen of the European Union, we point out that your data may be processed in order to perform any contracts you may have with you (e.g. if you place an order through the Website) or to carry out our legitimate business activities listed above. In addition, please note that your information may be transferred outside the European Union, including Canada and the United States.

Links to other websites

Our Website may contain links to other websites that are not owned or controlled by us. Please be advised that we are not responsible for other websites or their privacy practices. For this reason, we encourage you to leave our site knowingly and read the privacy policy of any website that may collect personal information.

Data protection:

We ensure the security of information provided by you on computer servers in a controlled, secure environment, secured from unauthorized access, use or disclosure. As part of our control and supervision, we use appropriate administrative, technical and physical safeguards to protect against unauthorized access, use, modification and disclosure of personal data. However, we cannot guarantee the security of data transmission over the Internet or wireless.

Disclosure of information resulting from legal provisions:

Any information we collect, use or receive will be disclosed if required or lawfully required to do so, such as to comply with a subpoena or similar legal process, and where we have a good faith belief that disclosure is necessary to protect our rights, your safety or the safety of others, to detect fraud, or in response to a government subpoena.

Contact Information:

If you would like to contact us for more information about this Privacy Policy or any matter relating to your rights and personal data, you can email us to tpabisiak@baycos.com.
